### NEW WEBSITE

After a significant period, we made the strategic decision to completely overhaul our website this year. Our revamped online presence now showcases a modern, intuitive, and visually appealing design. Through this update, we aim to expand our digital footprint, enhance our reach, and further communicate our role as a committed community partner in healing. Visit the new website at [hereshelpinc.org](http://hereshelpinc.org) to explore our initiatives and impact.

### PLUMBING CLASS

The plumbing class has enhanced its hands-on training to include bathroom construction, pipe installation, safety practices, code compliance, and certification preparation.
